### Important Announcement

INDEPENDENT AND BELL  
DETROIT EXCHANGES COMBINED

The Independent and Bell Exchanges of Detroit and vicinity have consolidated, making a total of

80,000 Telephones in Detroit Exchange Alone

The merger permit issued by the Michigan Railroad Commission provides that all telephones of the Independent Telephone System of Michigan shall have the privilege of long distance service with every telephone in territory where merger is permitted. The Copper toll lines of the Union Telephone Co. connect direct with lines attached to Detroit switchboard, offering the best possible means of long distance communication.

When calling from Detroit or other "merged territory" be sure to notify operator in advance that you desire to talk over Independent toll lines.
